CAREER SUMMARY

Motivated and ambitious Information Technology student with a strong interest in software development, databases, networking, and cloud technologies. Possesses foundational experience in front-end and back-end development, database querying, and problem-solving through academic and practical projects. Skilled in Java, SQL, VB.NET, and programming logic, with a passion for learning emerging technologies and applying technical knowledge to real-world challenges. Seeking internship, graduate, or entry-level opportunities to gain industry experience and contribute meaningfully within a technology-driven environment.

Education

Diploma in Information Technology

Vaal University of Technology | 2024 – Present(2026) | Final-Year IT Student

Relevant Modules:

Development Software, Information Systems, Business Analysis, System Software, Programming Logic

National Senior Certificate (Matric)

Phumzile Secondary School

National Senior Certificate (Matric)

Year Completed: 2022

Programming & Development

- Java
- VB.NET
- HTML
- CSS

Databases

- SQL

- PL/SQL
- Database Management Fundamentals
- Oracle Database Concepts

Networking & Systems

- Networking Fundamentals
- Basic Network Configuration Concepts
- Systems Software Fundamentals

Cloud Computing

- Microsoft Azure Fundamentals
- Cloud Computing Concepts
- Cloud Service Models (IaaS, PaaS, SaaS)
- Basic Cloud Infrastructure Concepts

Tools & Technologies

- GitHub
- Microsoft Word
- Microsoft Excel
- Microsoft PowerPoint
- Microsoft Access

Soft Skills

- Problem-solving
- Teamwork and collaboration
- Adaptability
- Communication
- Fast learner
- Analytical thinking
- Time management

CERTIFICATIONS

CCNAV7 INTRODUCTION TO NETWORKS | CISCO NETWORKING ACADEMY

July 2024 – November 2024

CAREER INTERESTS

Software Development
